Hello!

Attached is the Kick-off presentation from this morning. Below are the links to the two data sets.

Data Set 1:  [Fuel Station Data](#)

Data Set 2:  [2022 Light-Duty Vehicle Registration Counts by State and Fuel Type](#)

Schedule

Day 1

Project Kick-off,
Dataset Exploration,
and **Guest Speaker**

Day 3

Data Preparation

Day 5

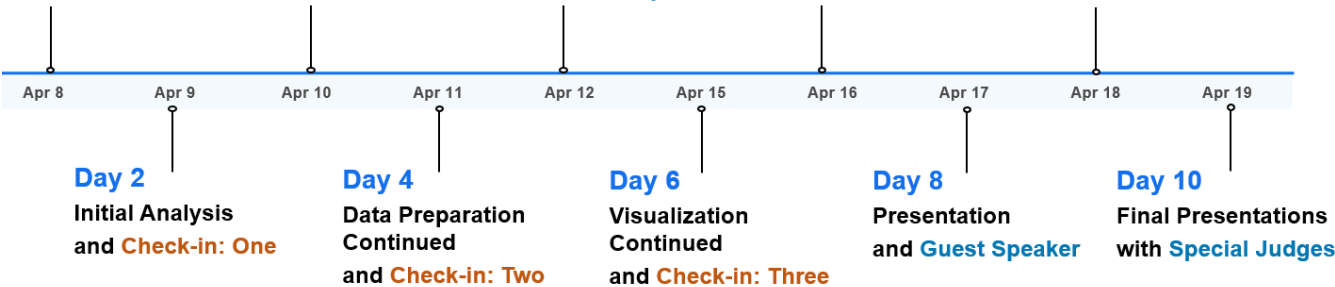

Visualization
and **Guest Speaker**

Day 7

Dashboard Creation

Day 9

Final Touches
and **Check-in: Four**

Next Steps

Explore the data and brainstorm with your team on any ideas you have for this project. What is your story? What would those VIZs look like? What data would you need?

I will follow up with a Teams invite for bi-daily check-ins. Please feel reach out to me via Teams message, email, or meeting if you have any questions!

Best,
